

RAHIM HAMZA

45 Lomond Lane, Kitchener · 548-577-1744 · raimu456@me.com · LinkedIn

OBJECTIVE

Secure a position in a dynamic, customer-focused IT firm, using communication and problem-solving skills to provide outstanding service while improving in a fast-paced environment.

EXPERIENCE

IT Support Engineer — OPENLANE Canada

October 2024 - Present

- Provide Tier 1/2 incident support through Active Directory, Okta, and ServiceNow, meeting SLA targets.
- Support remote Windows and macOS users: VPN/Wi-Fi connectivity, RBAC access provisioning, and remote-management troubleshooting.
- Deploy and maintain laptops, printers, and peripherals; manage MDM enrolment and SIM activation.

Customer Service Associate — Tech Mahindra, Canada

November 2023 - September 2024

- Troubleshot internet, router, and modem issues for residential customers.
- Handled plan changes, upgrades, and new service setups; kept customers informed during outages.
- Logged and tracked cases and tickets, guided customers on self-serve options, and escalated complex issues.

IT Service Desk Analyst — Accenture, India

November 2011 - August 2012

- Provided phone, email, and in-person support for hardware, software, and network issues.
- Logged and tracked tickets, performed installations, and escalated unresolved issues.
- Set up new employees and documented solutions in the knowledge base.

Technical Support Advisor - Apple Macintosh Project — Aditya Birla Mittal, India

January 2008 - February 2009

- Supported macOS: OS reinstallation, backups and restores, app installation, and ASR/Recovery Console.
- Troubleshot LAN/WLAN connectivity and scheduled Apple service appointments.

SKILLS

Troubleshooting & problem solving · Windows, macOS, Linux · IP / DNS / DHCP · ServiceNow, Jira, Zendesk · Microsoft Office & software installation
